## Milling Work on Martin Luther King Jr. Avenue SE April 26 – April 30

(Washington, DC)—The District Department of Transportation (DDOT) will conduct milling work in the southbound and northbound lanes of Martin Luther King Jr. Avenue SE from Milwaukee Place SE to 4th Street SE beginning on Monday, April 26 from 8:00 a.m. to 3:30 p.m., weather permitting. Parking lanes may be impacted while this work is taking place. No Parking signs will be posted 72 hours prior to the start of work. A travel lane will be maintained in both directions.

This milling work is part of the Revitalization of Martin Luther King Jr. Avenue SE Project (from Milwaukee Place SE to 4th Street SE).

Traffic controls, including signage, will be in place to guide motorists and pedestrians safely through the work zone. All users of the roadway are advised to stay alert and be observant of signage and work zones while traveling in this area.

For more information about this project and to stay up-to-date on traffic related impacts and construction progress, please visit [www.mlkrevitalization.com](http://www.mlkrevitalization.com).
