

# Revitalization of Martin Luther King Jr. Avenue SE (from Milwaukee Place SE to 4th Street SE)

## VIRTUAL MEETING NOTICE

### PROJECT BACKGROUND

Martin Luther King, Jr. Avenue SE is located in Ward 8 of Southeast Washington, DC and has two lanes running north and two lanes running south. This corridor must function in different capacities serving schools, churches, residences, businesses and residential communities.

### PROJECT OBJECTIVE

The District Department of Transportation (DDOT) is working to provide an improved and sustainable transportation network, pedestrian and vehicular safety, efficient travel options, travel lane and sidewalk enhancements and improve the aesthetics of the corridor. This project supports the Mayor's Vision Zero Initiative which aims to eliminate all deaths and serious injuries by the year 2024. **Please join us for a virtual community meeting on Thursday, July 16, 2020** where a project overview, timeline, and updates on current and upcoming construction activity will be provided.

### PROJECT GOALS

- New signal design
- Upgraded streetlights and traffic signals
- Intersection realignment
- Sidewalk and curb reconstruction
- Signage and pavement marking improvements
- Enhanced streetscape and landscaping
- Roadway resurfacing
- ADA improvements
- Installation of medians
- Installation of bike racks
